Overview and Notes

1.2 OVERVIEW

The new Direkt-Tek 23.8" All-in-One Desktop PC is the new-generation of it's class. It features a 23.8" High Resolution HD Screen (1920 x 1080) equipped with an Intel® Apollo Lake N3350 Dual-Core 1.3GHz Processor providing access to the web for news, weather or local business info; downloading thousands of apps from the Google Play Store, such as games, movie clips, music, and videos. With 4GB of memory, you can store plenty of pictures, movies, and documents. Expansion storage is available via Micro SD Card Reader slot, up to 32GB (sold separately).

2.0 NOTES

- The new Direkt-Tek 23.8" All-in-One Desktop PC is a high-density electronic product. DO NOT attempt to disassemble the device.
- Please do not drop or bang the device.
- Avoid using this product in the following environments: extreme high or low temperatures, high humidity, dusty areas or long-term exposure to the sun.
- The product may be cleaned with a damp cotton cloth; the use of any chemical cleaning fluid is prohibited. Please keep the product away from water at all times.
- Using the headphones for long periods of time at high volume may cause permanent hearing damage.
- Please use approved accessories only. The use of any other type of products would be a breach of warranty and may be dangerous.
- If you have any questions regarding the use of this product, please contact your local dealer or contact Direkt-Tek customer service center directly at CustomerService@direkt-tek.com or call (888) 999-1675.
- Direkt-Tek will not be held responsible for any files lost due to product damage, repair or other causes. Please be sure to follow instructions in the User Guide and backup your files in a timely manner.
